

# Water Play Days

## Monarch Christian School

This summer we will have Water Play Days every Tuesday, Wednesday, Thursday, weather permitting.

On Water Play Days, **please bring your child ready for the water, including a bathing suit, water shoes, and sunscreen.** If your child is in diapers, please bring water diapers and we will change them before they participate in water play. Bring a change of clothes they can change into after water play is done. If your child is not ready to play in the water, they will be able to play at the water tables, but they will not be able to fully participate in water play.

We will also be enjoying our Outdoor Classroom each day, so remember to bring your child dressed in play clothes everyday. We will ensure they remain well hydrated, but to assist us, please bring a reusable water bottle labeled with your child's name each day.

**Please bring two bottles of spray sunscreen to supplement our school's supply by June 1.** Please apply sunscreen to your child every morning and we will reapply as necessary.

### Sunscreen Release

I give Monarch Christian School my permission to apply sunscreen on my child. I understand that the school may use any type of sunscreen coverage on my child. I will not hold Monarch Christian School liable for any rashes, allergic reactions, or other unknown symptoms that may occur during sunscreen application.
