

# SCHOOL UNIFORMS

## Important Update!!!

We have partnered with Land's End to be our new uniform provider. This school year, purchasing your student's uniforms from Land's End is *optional*. However, beginning next school year (August 2019), ALL school uniform polos must be purchased exclusively from Land's End. Pants, shorts, skirts, skorts, leggings, bike shorts and outerwear may be purchased from Land's End OR from the vendor of your choosing as long as it adheres to the MCS Uniform Policy.

In addition to our new partnership with Land's End we have also made a few adjustments to our MCS Uniform Policy. We have included a copy of the MCS Uniform Policy in this welcome packet for you to familiarize yourself with and as always, you can find all our policies online in our Parent/Student Handbook.

Please watch your email in the next week for an MCS email introducing you to Land's End and how to purchase your uniform's online as well as discounts for the new school year!

We look forward to starting the new year looking our best and ready to learn!
